6	More help with my bills so I have money to order online clothes (as I need specifically certain soft clothes and materials due to my skin conditions. If I order online, I can get things delivered to my home, since I have no care or money/time to go to Goodwill, etc. to shop. My meds make me sleep a lot so I could use help w/ shopping & shopping costs. but I barely have enough for food. I'd like help w/ meals (decent meals) and deliveries, such as Texas Steakhouse, DiAtris, Cracker Barrell, Denny's--I could consume healthier & tastier meals. Seniors who don't cook as much and don't get enough calories or healthy meals could sure use this. Possibly, "don't laugh", an "in home Chef", of sorts, would keep Seniors "satisfied" and in their homes, even longer & make their final years so much more enjoyable. I've had the home-meal senior delivery meals, Mom's meals, and ate at lunch at the Senior Center and I refuse the all-their, "not good" or tasty, in my opinion. They're cheap in quality and lackin in variety (why can't "we seniors", have a delicious crabcake, fresh sammon, a delicious steak, and/or more access to vegetarian-type dishes (restaruant -grade meals and food that won't be tossed in the trash). Being poor doesn't mean we shouldn't have the same foods as others, or other benefits as I previously listed. I could use some help w/ my electric and other home costs because what I get (once I pay bills) leave me hardly anything to buy or doing anything "extra" (i.e. clothing, fresh foods/food costs, eat out/ deliver in, join a gym, etc.) I'd like to know how to have more, "in home", doctor exams, I also spend all my time going to doctors, ordering meals constantly, filling out paperwork to renew my food stamps, HUD, etc. Pain management now requires monthly online questioning in addition to a monthly visit. I've had to do the latter for 12-15 years. Something needs to change here. One more comment, I think I had much more help for my children and younger families. The elderly and disabled seem, in my opinion, to be more forgotten. They're put in State Institutions to spend their final years with horrible meals and lack of services and staff-it's all about how much money you have-so sad.	3/20/2025 10:44 AM

20	I am concerned about the change in the State of Maryland Retiree Medicare Prescription change for 2025. This issue have been in court for several years, and the case was finally lost. (There is an appeal process in the works). Formerly, our RX payment was taken from our pensions, we had reasonable copays. NOW, we have to choose from 9 providers, dependent upon which provider supplies all (or most) of our prescriptions. Dependent upon our out-of-pocket maximum, we are to pay high copays at the beginning of 2025 which SHOULD go down gradually as the year progresses. MANY are unable to pay these high copays. The State of Maryland Retirees stance is that these benefits were guaranteed to us when we were hired. VIA benefits is the overall network. We did not have any meetings re: this change until October 2024. It's STILL all very confusing and frankly, frightening. We've contacted representatives, etc., etc. PERHAPS our local commissioners or health advocates could get involved to try to rectify this unfair injustice. ALSO, there needs to be transportation to appointments for those of us who do not have Medicaid but still may have problems finding someone to take us to appointments. I've asked about this at health fairs, etc., to no avail. There is also a lack of prompt doctor appointments and care at our local hospital. I've gotten to the point I go out of town to doctors and hospitals. Thanks for listening.	2/15/2025 3:42 PM

51	If I might clarify my thoughts on LGBTQIA+, I believe they need the same respect and treatment as others, but at the same time, they shouldn't be given special treatment; they are people, not some inhuman subgroup, and so they need the same respect given to any other person. As a Christian, I love others, and although I personally disagree with some of their choices, I still love and respect them, same as I would anyone else. Personally, I believe that everyone, absolutely everyone, has committed "sins" at some point and most likely many times. The Bible says Jesus was already punished for everyone's sins, and by accepting this gift and allowing Jesus to change us, we can become God's adopted sons and daughters, with Jesus as our brother. Jesus even said that once a person accepts Him as Savior (from sins), there is no way he will ever cast that person out. Again, I don't say this to put down or disgrace our LGBTQIA+ friends. They are an IMPORTANT part of our community! All of us in our community need each other, even if we have differing opinions and beliefs.	2/3/2025 10:28 PM
